Prague, Czech Republic

June 10–13, 2019

ICLAS General Assembly - June 9–10, 2019

NOVEMBER 2018

## 3<sup>RD</sup> NEWSLETTER

Dear colleagues,

FELASA, the Federation of European Laboratory Animal Science Associations, represents over 4000 specialists in the field of laboratory animal science from 28 countries and 21 constituent associations. The FELASA Congress is a scientific and educational event, offering the current knowledge on the use and welfare of animals in experiments and how to make improvements in these areas: in Prague, a special issue will be the correct reporting of animal research. Animal welfare, ethical aspects, legislation, and education are obvious parts of congress topics. We will also have the newest information and recommendations on working with aquatics and some other rarely used species.
